

Student Class Entry Exit Template

Student Class Entry Exit collects student course data to comply with State and federal laws, including information presented in the School Report Cards. Districts should report unique sections within buildings as this information is used to report average class sizes. Average class size is computed for the [courses mapped to a State assessment](#). If districts are splitting grades K-2 into subject area courses, they should use the PRE-K-

A dual or concurrent credit course is defined as a course offered by a partnership between at least one institution of higher education and at least one school district, BOCES or charter school through which a secondary school student who has not graduated from high school is able to enroll in one or more postsecondary courses and may be able to earn postsecondary credit that is transferable to the institutions of higher education in the partnership and applicable toward completion of a degree.
