

The Developmental Disabilities Advisory Council (DDAC) and Family Support Services (FSS) Committee will hold public meetings in June. As always, it is important for families to actively participate and be heard at these meetings.

The DDAC will be meeting on June 11th from 11 am - 2 pm and the FSS Committee will convene on June 12th from 11 am - 3 pm. The meetings will be conducted in person at several locations across the state, but will also have a virtual option.

More information, and registration links for joining the virtual meeting, can be found here:
